

Dear Parent/Guardian,

We are now selling club leotards for the children to wear during the trampoline sessions and at competitions. This is not obligatory, purely an option. The leotards will cost £26.

Revolve Trampoline Club will be happy to buy used club leotards back (dependant on condition) at the price of £15 to sell on, second-hand, to new/younger club members.

If you are interested please fill in the attached form, and return it (along with payment), to me at the next session.

Many thanks,

Tab Baron
